PRIVACY DECLARATION

Privacy Policy & Support

Private. Local. In your control.

Your Privacy, Clearly Stated

iTang respects your privacy. The app does not collect, store, track, sell, or share personal data.

LOCAL ON DEVICE

1

Selected PDF content is processed locally on your device.

NO CLOUD UPLOAD

2

Selected PDF content is not uploaded to the developer or stored on external servers.

NO TRACKING

3

No advertising, analytics, tracking technologies, user accounts, or third-party data-collection services are used by the app.

Support: info@itang.uk

Privacy Declaration

The complete privacy statement, set in large mobile-first type.

1

iTang respects your privacy. The app does not collect, store, track, sell, or share personal data.

2

PDF documents selected by the user are processed locally on the device. Their contents are not uploaded to the developer or stored on external servers.

3

iTang uses Apple's built-in technologies for document processing and text-to-speech. The app does not use advertising, analytics, tracking technologies, user accounts, or third-party data-collection services.

4

You remain in control of the documents you open and may remove them from your device at any time.
